

Mitacs Globalink Research Award Thematic Call - Webinar Series

Description

Following the launch of the [GRA thematic call](#) [1], Mitacs invites researchers to their webinar series with the participating international partners. Through the series, researchers will have the opportunity to learn more about their activities and interests, and will be able to contact the international partners directly.

Lasting 45 minutes, each webinar will follow this format:

- 10-15 minutes: introduction to the organization, its research role and institutions that are eligible for projects
- 10-15 minutes: presentation of strengths/interests in the 4 themes and identification of the contact person in the organization for exploring and developing projects
- 15-minute Q&A
