Description

The Mitacs-JSPS Summer Program, offered in partnership with the Japan Society for the Promotion of Science (JSPS) provides opportunities for graduate students and postdoctoral fellows in Canada to pursue collaborative research in Japan, allowing them to advance their own research while promoting scientific progress in both Japan and Canada.

Eligibility

Participants

- Cannot undertake a research project at an institution where they have previously completed a degree and/or been employed
- Must be registered as full-time graduate students or postdoctoral fellows at a Canadian university and remain as such throughout the Mitacs-JSPS program. Postdoctoral fellows may apply if their date of graduation from a PhD program is no more than 5 years prior to the proposed start date of the research project
- Must be the legal age of majority in Canada (18 years of age or older)
- Must meet travel requirements for their intended destination, including visa and/or immigration requirements and associated documentation
- Must be new to the JSPS Summer Program
- Cannot have previously held a Mitacs Globalink Research Award

Home supervising professors

- Must hold a faculty position at a Canadian university
- Must be eligible to supervise graduate students and hold Tri-Council funding

Host supervising professors

- Must be a researcher who is employed full-time or classified as being employed full-time (excluding Jokyō, assistant professors, and Jōshū, research assistants) at one of the following eligible institutes:
 - Universities and inter-university research institutes
 - The Ministry of Education, Culture, Sports, Science and Technology (MEXT)-affiliated institutes that conduct scientific research
 - Other institutes designated by the Minister of MEXT

Maximum Project Value

JSPS arranges round-trip airfare and insurance. Mitacs and JSPS provide an allowance for the student or postdoctoral fellow (equivalent to 534,000 yen in total). Host supervisors are eligible for a research support allowance.

Indirect Costs

0%

Project Duration

10 weeks (June 11-August 21, 2019). These dates are tentative and subject to change.
