New e-System for REB – EthOS – Now Live

As of July 25, 2024, ethics applications for studies involving human participants can be submitted in the [Research Ethics Online System (EthOS)](#).

Replay links to the series of virtual Roadshows held between July 16 and July 23 to preview EthOS and the transition guidelines have now been posted on the [EthOS Hub-Webinar page](#).

Researchers can visit the [EthOS Hub](#) to access the new system and all support resources, including:

- A [Getting Started](#) guide for your initial log-in steps and a reminder of interim guidelines
- Additional [User Materials](#) on basic navigation and steps for creating and submitting applications
- Registration links for upcoming virtual training on either [August 1](#) or [August 8](#)

Note: Training will continue on a monthly basis with the Fall dates to be announced shortly on the [EthOS Hub-Webinar page](#).

If you have any questions about EthOS, contact the dedicated help desk at RAIMSsupport@uoguelph.ca.
