## New Human Research Ethics Application and Website – old forms will no longer be accepted after March 15

We are pleased to announce that that Research Ethics website has been relaunched with updated forms, new FAQs, and a step-by-step guide leading you through the process of obtaining clearance from a Research Ethics Board to involve humans in your research project.

When completing an Ethics Application please be sure to always download the form directly from the website.

## Please note that the REB will no longer accept the previous application form after March 15<sup>th</sup>.

Please visit the <u>new Research Ethics website</u> for more details. Alert ClassificationsCategory: Research Management and Support

**Disciplines:** Health and Life Sciences Humanities Information and Communications Technology Physical Sciences and Engineering Social Sciences
