NSERC Alliance: Faculty Resources

Sponsor

Natural Sciences and Engineering Research Council of Canada (NSERC)

Program

NSERC Alliance

Description

In collaboration with Research Support Services, the Research Innovation Office has developed a collection of **NSERC Alliance resources** to summarize key application requirements and details. Topics include, but are not limited to:

- Program overview
- Leveraging public sector partners
- Working with international partners
- EDI considerations

The Research Innovation Office will update these resources to capture any changes to NSERC Alliance program requirements as they arise. You can access the latest version of these resources at the following link: <u>Research Innovation Office NSERC Alliance Resources</u> [1].

If you have suggestions for how these resources may be improved, we welcome you to send any feedback to <u>ilp@ugouelph.ca</u> [2]. For Questions, please contact **Office of Research**
