

## NSERC Awards for Science Promotion

Updated Information

Internal deadline amended to Thursday August 15, 2019

### Sponsor

Natural Sciences and Engineering Research Council of Canada (NSERC)

### Program

Science Promotion

### Description

The NSERC Awards for Science Promotion focus on people and groups who are inspirational in the way they promote science to the general public.

Science promotion activities with award potential could include activities such as:

- organizing science camps, fairs, clubs or programs with youth organizations;
- creating new learning materials;
- developing science and engineering-related co-op programs or job shadowing initiatives;
- arranging demonstrations, visits and lectures;
- writing books and articles;
- creating radio or television programs;
- generating public involvement through multi-media programs.

### Eligibility

Any individual, registered non-profit organization, postsecondary institution, non-federal museum, science centre or company within Canada may be nominated for the award. Nominees will have made a successful and sustained effort to encourage public interest in, and an understanding of, the natural sciences and engineering (including math and technology) outside the formal education system. Posthumous or self-nominations will not be accepted. Current NSERC Council members are not eligible for nomination.

For More Information, please refer to [NSERC Prizes - Science Promotion Call for Nominations](#)

### Prize

Individual recipients will receive a \$10,000 award and group recipients a \$25,000 award. In both cases, the funds are to support further science promotion activities. Funds paid to winners of this prize are subject to the [PromoScience Grants Guide](#).

### Deadlines

**If College-level review is required, your College will communicate its earlier internal deadlines.**
