| Monday April 7, 2025 9:00am to 10:00am | Virtual/Online via Microsoft Teams | Registration Link Attendees are encouraged to email any questions to Rachel Lee (rachell@uoguelph.ca) in advance of the session. |

Description

Applicants considering applying to the upcoming NSERC Collaborative Research and Training Experience (CREATE) 2025 competition are invited to attend this Q&A session, hosted by the Research Services Office (RSO) with support from the Ontario Agricultural College (OAC).

The session format will include a brief discussion of common feedback from reviewers, followed by time for questions and discussion with an expert panel including 2024-25 Grantees and a member of the NSERC CREATE multidisciplinary selection committee. Please note the session will not include a formal presentation on the NSERC CREATE program.

For more information on program guidelines and deadlines, please see the attached slides from NSERC's 2025 Information Session for the CREATE program, and the [NSERC Collaborative Research and Training Experience \(CREATE\) 2025 Research Alert](#).
