Description

NSERC's [Collaborative Research and Training Experience](#) (CREATE) program awards grants of up to \$1.65M over 6 years for the development of innovative training programs designed to enhance collaboration and facilitate the transition of trainees to productive employees in the Canadian workforce. In preparation for the next CREATE competition, NSERC will hold an information session via webinar to provide an overview of the CREATE program and application process. First time attending an Adobe Connect meeting?

- [Test your connection](#)
- [Get a quick overview](#)

If you are experiencing technical difficulties with the video conference, join through teleconference using the information below. Do not join the teleconference unless you are instructed to do so. The webinar will be recorded. Following the presentation, a link to that recording will be emailed so that those who are unable to attend may watch the recorded webinar later at their convenience. Please send any questions regarding the CREATE program and/or the application process in advance to CREATE@NSERC-CRSNG.gc.ca so that we may address them in the presentation.
