Description

NSERC's [Collaborative Research and Training Experience](#) (CREATE) program awards grants of up to \$1.65M over six years for the development of innovative training programs designed to enhance collaboration and facilitate the transition of trainees to productive employees in the Canadian workforce.

In preparation for the next CREATE competition, NSERC will hold an information session via Cisco Webex webinar to provide an overview of the CREATE program and application process.

If you experience sound quality problems during the meeting, please connect via the Webex telephone line:

- Meeting number - access code: 171 539 5408
- Canada Toll Free: 1-844-426-4405; Canada Toll (Ottawa): +1-613-714-9906

Please verify that Webex works on your computer prior to February 4.

The webinar will be recorded. Following the presentation, a link to that recording will be emailed so that those who are unable to attend may watch the recorded webinar later at their convenience.

Please send any questions regarding the CREATE program and/or the application process in
