Friday February 11, 2022 1:30pm to 3:30pm	MS Teams French Webinar - No Registration Necessary	French MS Teams Link

Description

NSERC's [Collaborative Research and Training Experience](#) (CREATE) program awards grants of up to \$1.65M over 6 years for the development of innovative training programs designed to enhance collaboration and facilitate the transition of trainees to productive employees in the Canadian workforce.

In preparation for the next CREATE competition, NSERC will hold an information session via MS Teams webinar to provide an overview of the CREATE program and application process.

The webinar will be recorded. Following the presentation, a link to that recording will be emailed so that those who are unable to attend may watch the recorded webinar later at their convenience.

Please send any questions regarding the CREATE program and/or the application process in advance to CREATE@NSERC-CRSNG.gc.ca.
