Description

Due to COVID-19, NSERC is replacing live webinars with pre-recorded videos followed by live Q&A sessions. This series is meant to assist the research community on how to complete an application using the [Research Portal](#) and the NSERC [Canadian Common CV](#) (CCV). Pre-registration is not required to attend the live Q&A sessions.

Please view the links above for the pre-recorded videos as well as the dates for these upcoming live Q&A sessions related to the NSERC Discovery Grants program. NSERC asks for individuals to view the pre-recorded videos prior to attending a live Q&A session as the material presented in the video will not be repeated.
