## Description

NSERC offers a series of pre-recorded videos and live Q&A sessions which are meant to assist the research community on how to complete an application using the [Research Portal](#) and the NSERC [Canadian Common CV](#) (CCV). You will find above links to the pre-recorded videos as well as the dates for these upcoming live Q&A sessions. NSERC asks that applicants view the pre-recorded videos prior to attending a live Q&A session as the material presented in the videos will not be repeated.
