NSERC Research Tools and Instruments 2023 Competition - Q&A Session

Date	Location	Notes
Tuesday September 27, 2022 10:00am to 11:30am	The virtual session will be hosted via Microsoft Teams and we request that you register in advance to receive a Calendar invite.	[Registration Link](#)

Description

Applicants who will be applying to the upcoming NSERC Research Tools and Instruments (RTI) competition are invited to attend this information and Q&A session. The session format will have panelists answering questions from applicants in a Q&A style. It is important to note that the session will not include a formal presentation on the NSERC RTI program. We strongly encourage applicants to email their questions in advance of the session in an effort to ensure that all of the questions are answered during the session. Panelists will include both award recipients and selection committee group members from each eligible college.

Agenda:

The session will begin promptly at 10:00 am. Please login to Teams a few minutes early to ensure a good connection. The following is a brief overview of the session agenda:

- Brief program overview and updates
- Panelist introductions and key messages
- Q&A session with panelists
- Closing remarks and sharing resources

For more information on the NSERC RTI Competition, please view the NSERC RTI 2023 competition [research alert](#). Please note, NSERC will also be hosting RTI program webinars for members of the research community across Canada. Please visit the [NSERC Webinar page](#) for more information.

For questions related to the NSERC RTI program, please connect with the following internal supports:
