Description

NSERC is hosting webinars to assist the research community on how to complete a Research Tools and Instruments (RTI) application using the [Research Portal](#) [3] and the [NSERC Canadian Common CV (CCV).](#) [4]

In order to prepare, NSERC invites potential applicants to familiarize themselves with the following documents:

- [RTI program description](#) [5] which includes the [Peer Review Manual](#) [6](which will be updated shortly) and [Frequently Asked Questions.](#) [7]
- [Instructions for Completing an RTI Application](#) [8]

Note - NSERC's webinars have limited spaces. If you are unable to join, you can always connect to the teleconference and listen in while following the [presentation.](#) [9]

Considering the high attendance to NSERC's webinars, NSERC staff may not have time to respond to all individual questions during the session. Any additional questions should be

directed to NSERC's support team at RESGRANT@NSERC-CRSNG.GC.CA [10].
