Description

NSERC will be hosting a set of webinars about the [NSERC-SSHRC Sustainable agriculture research initiative](#) in French and English. Please note that the content will be similar to the webinars presented earlier in April and May, but with some new information focusing on procedures and administrative details with regards to applying for the full funding. The slides will be available online on the [resources page](#) after the presentations. Prospective applicants and research staff are welcome to attend.

For more information please contact Alliance_agriculture@nserc-crsng.gc.ca, or visit the [NSERC-SSHRC Sustainable agriculture research initiative resources](#) webpage.
