Description

Due to COVID-19, NSERC is replacing live webinars with pre-recorded videos followed by live Q&A sessions. This series is meant to assist the research community on how to complete an application using the [Research Portal](#) and the NSERC [Canadian Common CV](#) (CCV). New Q&A session dates will be added as they become available on NSERC's website.

Please view the [pre-recorded videos](#) prior to attending a live Q&A session, as the material presented in the videos will not be repeated.

In preparation, please familiarize yourself with the following documents:

- [Memo to Potential Applicants](#) – Notification of Intent to Apply for a Discovery Grant – 2021 Competition
- [Instructions for Completing the Notification of Intent to Apply for a Discovery Grant](#)
- [Canadian Common CV – How to Complete NSERC's Version](#)

Pre-registration is not required to attend the live Q&A sessions. Please note, NSERC staff may not have time to respond to all individual questions during the sessions. Any additional questions should be directed to the support team at [NSERC Discovery](#).
