
OMAFRA Climate Change Research Knowledge Exchange Day 2017

Date

Location

Thursday October 19, 2017 8:45am to 4:00pm Conference Centre | 1 Stone Rd W. Guelph

Description

The OMAFRA Climate Change Research Knowledge Exchange Day 2017 is delivered in partnership with the Ministry's Innovation and Knowledge Management Unit and the Climate Change Policy Unit. Find out what you need to know about Ontario's Climate Change Action Strategy and Plan, what it means to OMAFRA, and research that informs OMAFRA's policies and programs.

Please make sure to save this date in your calendar. More details will be available soon.

Student Synthesis Poster Challenge

Students involved in climate research projects will be invited to apply to the poster challenge. More information to follow.

Agenda & Registration

Agenda, registration and further details will be provided in September.

For more information about the event, please contact:

Darryl Finnigan at darryl.finnigan@ontario.ca
