Description

The OMAFRA - U of G Research Program call for Letters of Intent (LOIs) addresses priorities identified in the following research themes:

1. Agri-Food and Rural Policy
2. Bioeconomy - Industrial Uses
3. Emergency Management
4. Environmental Sustainability
5. Food for Health
6. Products and Value Chains
7. Production Systems - Animals and Plants

For further information about this call, please visit the [OMAFRA – U of G Agreement website](#) [1] and consult the 2018-19 OMAFRA Research Priorities document.

LOI Submissions are Due by 12 PM (Noon) on Thursday, October 25th, 2018.

Eligibility

University of Guelph faculty are eligible to be the Lead Applicant/Principal Investigator for OMAFRA - U of G Research Program projects. University of Guelph faculty includes assistant professors, associate professors and professors.

Lead Applicants and Co-Applicants may not have overdue reports for other OMAFRA - U of G Partnership projects.

Adjunct faculty are also eligible if they meet [specific criteria](#) [2].

Maximum Project Value

\$80K/yr; \$240K per project maximum

Indirect Costs

Indirect costs are already incorporated into the OMAFRA - U of G Agreement. No additional indirect costs are required on a project-by-project basis, on the amount requested from OMAFRA.

However, indirect costs must be included at the applicable rate (e.g. 25% or 40%) on cash contributions from Government and Industry Sponsors when those contributions leverage or “match” OMAFRA funding.

Project Duration

Up to three (3) years.
