

Ontario Agri-Food Innovation Alliance (previously known as the OMAFRA/U of G Partnership) Research Program Call for Full Proposals

Sponsor

Ontario Agri-Food Innovation Alliance

Description

The Ontario Agri-Food Innovation Alliance requests Full Proposals (FPs) that address OMAFRA's research priorities. Full proposals submitted during this **new, one-stage application process** must address questions in the following **NEW research priority areas**:

- Protection and Assurance
 - Food Safety
 - Animal Health & Welfare
 - Plant Health & Protection
- Stewardship
 - Soil Health
 - Water Quality & Quantity
 - Sustainable Production Systems
 - Productive Land Capacity
- Economic Development
 - Competitive Production Systems
 - Innovative Products & Product Improvement
 - Trade, Market, Targeted Sector Growth Opportunities

For further information about this call, please visit the [Alliance website](#) [1] and consult the 2019/20 OMAFRA Priorities document and the 2019/20 Alliance Program Guide.

Town hall-style information sessions will take place throughout October. Stay tuned for more information.

NOTE: The 2019/20 will be a single-stage call. **There is no letter of intent (LOI) stage.** Full Proposals are due by Noon on November 26, 2019. Intent information must be complete by November 6, 2019.

Visit the [Alliance website](#) [1] for more information.

Eligibility

University of Guelph faculty members are eligible to be the lead applicant and/or a co-applicant on any Ontario Agri-Food Innovation Alliance Research Program project. Adjunct faculty members may also apply if they are eligible to hold research funding at the University of Guelph.

Prior to being awarded any new project(s) under the OMAFRA/UofG Agreement, lead applicants and co-applicants must be fully compliant with all reporting requirements for existing projects under the Alliance Research Program.

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
