The town hall presentation is now available on the [Tier I Research Program webpage](#) [1].

Eligibility

University of Guelph faculty members are eligible to be the Lead Applicant and/or a Co-Applicant on any Ontario Agri-Food Innovation Alliance Research Program project. Adjunct faculty members may also apply if they are eligible to hold research funding at the University of Guelph and are not employed by or have a financial interest in any of the collaborating organizations or co-funders. Consult the program guide for more details.

Applicants must be fully compliant with all reporting requirements prior to a new proposal being reviewed under any Alliance Research Program. The Lead Applicant and the Co-Applicant will have 30 days from the submission deadline to complete any outstanding compliance requirements, including reporting. If applicants are not compliant at that time the submitted proposal will be withdrawn from the review process and declined.

Special Notes

Proposal Compliance Checks (optional)

Office of Research, Agri-Food Partnership staff are offering to complete a compliance check of proposals in advance of the submission deadline. The compliance check does not assess overall quality or scientific merit but will review the proposal for issues that are not caught during the system validation checks in the RMS (e.g., congruence between team/HQP tables and the budget, eligibility of budget items etc.). Please email rescoord@uoguelph.ca [7] on or before the intent deadline (September 27) if you want program staff to complete a compliance check of

your proposal. The proposal should be at or near completion.

Withdrawing Proposals

Proposals that have been started in the RMS but will not be submitted should be withdrawn by selecting 'Withdraw' on the bottom left side of the application template.

COVID-19

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [8].

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.
