Description

The Research Innovation Office is excited to share their co-sponsorship of [Ontario Innovation Expo 2022](#) [1] with the John F. Wood Centre.

A collision space of entrepreneurially minded people, this expo will bring fresh perspectives and energy through connecting with a community who identify as founders or innovators.

It's a great and *free* venue to soundboard new ideas or seek feedback on a challenge or experiences.

We invite you to join us in-person at The Grand Guelph Banquet & Event Centre on October 13th from 12pm-5pm.

1:00pm-2:30pm sees the most action!
