Description

Ontario Pork is pleased to announce a call for Letters of Intent (LOI) for pig and pork research projects that focus on Ontario production and the Ontario swine industry.

Highest priority and consideration will be given to research proposals and projects that address issues and questions that are specific to the Ontario pork industry or that will specifically provide benefits or improve the competitiveness of Ontario producers. Consideration for other projects will be given, if they address priorities outlined in the [Ontario Pork Research Priorities and Outcomes Report](#) [2]. Other project funding partners and collaborations are strongly recommended for all submissions.
