Description

Ontario Pork is pleased to announce a call for Letters of Intent (LOI) for swine research projects that focus on the Ontario swine industry. Highest priority and consideration will be given to research proposals and projects that address issues and questions that are specific to the Ontario pork industry or that will specifically provide benefits or improve the competitiveness of Ontario producers. Consideration for other projects will be given, if they address priorities outlined in the Ontario Pork Research Strategies document found on the OP research page under call for proposals. Other project funding partners and collaborations are strongly recommended for all submissions.

Information For Co-applicants

If you need to meet a deadline set by the lead institution for this opportunity, please ensure that you provide the Office of Research with at least five days in advance of the lead institution's deadline to review the application, or your proposed component of the project. Please be in touch with the Office of Research (contact information below) ahead of the deadline if it looks like it will be difficult for you to submit all the required documentation on time (i.e. budget, proposal, OR-5 Form).
