Description

The Ontario Research Fund – Research Excellence (ORF-RE) provides research institutions with funding to support the operational costs of major projects of strategic value to the province.

The fund provides up to one third of the total value of a project, with the remaining two thirds coming from a combination of private sector and institutional contributions.

Maximum Project Value

ORF-RE Round 10 has two application funding tiers:

- Tier 1. Open to all disciplines
Funds projects from \$200,000 to \$1,000,000
- Tier 2. Open to all disciplines
Funds projects from \$1,000,001 to \$4,000,000

Indirect Costs

40% (must be included in the total value of funds requested)

Special Notes

Selection process

The review panel scores applicants on:

- research excellence
- research impact
- plan for achieving research impact
- development of research talent
- project management and governance
