

Open Scholarship Brown Bag Series: Creating a Data Management Plan (DMP)

Date	Location	Notes
Tuesday January 16, 2024 12:00pm to 12:45pm	Online	Registration is required. Register here.

Description

Data management plans (DMP) is a document describing how your research data will be collected, stored, analyzed and shared throughout the research process. DMPs provide a clear plan to researchers on a team on how to responsibly handle data including where to store and locate their data, and how to share the data for future use. This brown bag will cover:

- What is a DMP?
- Parts of a DMP
- DMP Assistant
- Questions from audience members.

All are welcome!
