
Parkinson Canada: Pilot Project Grants, New Investigator Award Program, Basic Research Fellowship

Sponsor

Parkinson Canada

Description

A number of funding opportunities exist for research focused on Parkinson's disease. Information on the individual funding opportunities can be found on the [Parkinson Canada Research Application Site](#) [1].

All applicants are encouraged to read the [application guidelines](#). [2]

Eligibility

Funding opportunities are available for faculty researchers, independent researchers, and graduate students. Please see each individual [funding opportunity](#) [1] for its eligibility.

Maximum Project Value

\$40,000 to \$50,000 depending on the funding opportunity

Indirect Costs

0%

Project Duration

One to two years depending on the funding opportunity

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
------	------	-------

Internal Deadline	Thursday, January 25, 2018 - 4:30pm	PI submits an OR5 form along with a copy of the full application to research.services@uoguelph.ca [3]. For the full application, see the application guidelines [1] for the relevant funding opportunity.
External Deadline	Thursday, February 1, 2018 - 5:00pm	PI to submit application on the Parkinson Canada online application system [1]

How to Apply

Important notice to applicants: The new Parkinson Canada online application submission system will help you manage the application process. Returning and new applicants must register and create a user name and password prior to beginning the online application process.

1. To create an application, a [FluidReview](#) [1] account is required.
2. Register or Sign In.
3. Once you have logged in, select “create new submission” where you will be directed to a menu where you can select the appropriate application.
4. Complete the forms and requests and click “submit”
