RDM Brown Bag #2: Creating a Data Management Plan

Date	Location	Notes
Wednesday February 15, 2023 12:00pm to 12:45pm	Virtual	Registration is required. Begin Registration

Description

Led by:

- **Lucia Costanzo**, Research and Scholarship Librarian, McLaughlin Library

In the second Research Data Management (RDM) brown bag, you will learn about how to create a Data Management Plan (DMP). A DMP is a document describing how your research data will be collected, stored, analyzed and shared throughout the research process. DMPs provide a clear plan to researchers on a team on how to responsibly handle data including where to store and locate their data, and how to share the data for future use.

This RDM brown bag will cover:

- Summary of RDM, Tri-Agency Policy and U of G Institutional Strategy
- What is a DMP?
- Parts of a DMP
- DMP Assistant
- Questions from audience members.

The last session in this semester's series:

- [RDM Brown Bag #3: Depositing Your Research Data in a Repository](#) (March 8, 2023)
