Research Security Information Session and Q&A

Date	Location	Notes
Thursday February 6, 2025 12:00pm to 1:00pm	Virtual/Online via Microsoft Teams	Monthly Teams Meeting Link

Description

Gain valuable insights into research security during our monthly drop-in sessions. These sessions are designed to help researchers understand the research security risks and requirements for federal and provincial funding applications, along with ensuring compliance with relevant regulations.

Research security is increasingly integrated into provincial and federal government funding requirements. These sessions provide an excellent opportunity to grasp the nuances of research security and its impact on funding applications.

Details:

Are you planning on applying for federal or provincial funding? Not sure about how to complete the research security forms, or what forms are required?

Bring your lunch and questions for a presentation and discussion with Amy Allison, Research Security Specialist at the University of Guelph.
