Robarts Research Institute: J. Allyn Taylor International Prize in Medicine - 2019

Sponsor

Robarts Research Institute

Description

The Taylor Prize is awarded annually by Robarts Research Institute. The recipient is nominated by the scientific community and selected by a peer jury.

Eligibility

A nominee's research area must be integral to Robarts' mandate [1].

Prize

The Prize, which consists of a cash reward of $25,000, an engraved medal bearing the likeness of J. Allyn Taylor and a framed certificate, is awarded to one or more individuals who have made significant contributions in basic or clinical research.

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.
