

## **Robarts Research Institute: J. Allyn Taylor International Prize in Medicine - 2020**

### **Sponsor**

Robarts Research Institute?

### **Description**

The Taylor Prize is awarded annually by Robarts Research Institute to an individual or individuals who have made significant contributions to a field of basic or clinical research in one of the Institute's principal areas of research.

Each year a topic is selected and the scientific community is invited to nominate individual scientists or groups of scientists whose initiatives fall within that particular field of research. **Information will be updated upon program launch.**

### **Prize**

The Prize, which consists of a cash reward of \$25,000, an engraved medal, and a framed certificate, is awarded to one or more individuals who have made significant contributions in basic or clinical research.

### **Deadlines**

**If College-level review is required, your College will communicate its earlier internal deadlines.**
