# SFARI Research Awards 2020 - Request for Applications

# **Sponsor**

Simons Foundation Autism Research Initiative (SFARI)

## For More Information

For additional information, please visit the program's websites [1] for

- Program guidelines
- Application forms
- Evaluation criteria

# **Description**

Grants awarded through this program are intended to provide support for the investigation of key unresolved research questions in autism, particularly those that connect etiologies to brain function and behavior. Unlike SFARI Pilot Awards, risk and novelty are welcome but are not required criteria for the proposal to be considered meritorious. Competitive applications will have preliminary data or other relevant groundwork that justifies substantial investment on the proposed topic.

# **Eligibility**

All applicants and key collaborators must hold a Ph.D., M.D. or equivalent degree and have a faculty position or the equivalent at a college, university, medical school or other research facility. In addition, eligible applicants must have independent lab space at their institution.

# **Maximum Project Value**

The maximum budget is \$1,300,000, including indirect costs

## **Indirect Costs**

20%
