Description

From small workshops to large conferences and online meetings, events are an essential part of the knowledge mobilizer's toolbox. Join us to perfect your ability to organize, host and facilitate effective events!

At the end of this workshop, participants will be able to:

- Consider a range of event structures, agendas and audiences;
- Identify key steps and considerations pre-event, on site and post-event;
- Choose facilitation strategies and activities to support their event goals.
