

## Skills for Research Impact: Podcasting

Date

Tuesday March 21, 2023 1:00pm to 2:30pm

### Description

Podcasts are a fun and popular mode of information sharing, and they are increasingly being used in research. This session will cover why podcasting is an effective knowledge mobilization strategy as well as practical tips to planning and recording your own.

After attending this workshop, participants will be able to:

- Consider when and how to create a podcast for knowledge mobilization
- Understand best practices for creating a podcast
- Identify resources at U of G and beyond for podcasting
