Skills for Research Impact: Social Media

Date

Tuesday March 28, 2023 1:00pm to 2:30pm

Description

Learn all about the web 2.0! Discover how to choose social media platforms that are appropriate for your goals and audiences and get tips on creating engaging posts.

After attending this workshop, participants will be able to:

- Identify the benefits of using social media for knowledge mobilization
- Assess their own online brand and goals for social media
- Understand best practices in creating content that resonates for target audiences
