Description

Exchange Grants (formerly "Travel grants") are intended to subsidize the cost of travel required to support national and international knowledge mobilization within and/or beyond the research community. Exchange grants are not available to reimburse travel expenses/claims which have occurred in the past. The proposed dates of travel for May 2018 competition will fall between December 1, 2018 - May 31, 2019.

Please see the [SSHRC Institutional Grant](#) [1] webpage for deadlines and proposed dates of travel for all four SSHRC SIG Exchange competitions.

Explore Grants (formerly "General Research grants") will provide seed funding for research that that is to result in the development and submission of an application in an external SSHRC competition. Applicants who receive a Explore Grant are expected to apply for an external SSHRC grant (any program) within three (3) years of the end of their Explore Grant.

Professors emeriti are also eligible for this program. Visiting fellows and scholars are not eligible.
