Sponsor

US Department of Defense (DoD)

Program

Congressionally Directed Medical Research Program (CDMRP)

For More Information

Complete and detailed descriptions of these funding opportunities, evaluation criteria, and complete submission requirements can be found in the specific Program Announcements on the [Program Funding Opportunities Page](#) [1]. Program Announcements are available electronically for downloading from the [Grants.gov](#) [2] website by performing a search using Department of Defense as the Agency in the left search column.

Description

The Department of Defense (DOD) managed by the office of Congressionally Directed Medical Research Programs (CDMRP) has announced new funding opportunities for the fiscal year 2022 (FY22) as follows:

Traumatic Brain Injury Research Program

- Clinical Trial Award
- Focused Program Award
- Investigator Initiated Research Award
- Patient Centered Research Award (*NEW FOR FISCAL YEAR 2022*)
- Translational Research Award

For more information, please see the [T \[3\]raumatic Brain Injury Research Program page](#) [4]. [3]

Kidney Cancer Research Program

- Academy of Kidney Cancer Investigators Early-Career Scholar Award
- Clinical Trial Award
- Nurse-Initiated Research Award (*REVISED FOR FISCAL YEAR 2022*)

For more information, please see the [Kidney Cancer Research Program page](#). [5]

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [6].

How to Apply

Submission is a two-step process requiring both pre-application submission through the electronic Biomedical Research Application Portal ([eBRAP](#)) [7] prior to the pre-application deadline, and full application submission through [Grants.gov](#) [2]. All applications must conform to the final Funding Opportunities/Program Announcements and General Application Instructions which can be found on the [Grants.gov](#) [2] website. For detailed information on the submission process, refer to the specific Program Announcement/Funding Opportunity.

If you are interested in applying, ***please contact the Office of Research as soon as possible*** so we can work through the application process and [Grants.gov](#) [2] with you.
