

Univeristy of Guelph Field Research Resources

With the field research and conference season approaching, this notice is a reminder of the available University policies and resources:

- the [Off-Campus Activities, Research and Field Trips policy](#) outlines general requirements for activities including research occurring outside of University facilities
- the [EHS Field Research Planning online course](#) that introduces topics such as general field safety, transportation, insurance and contingency planning,
- the [Field Research Safety Plan \(form\)](#)

For research not in Canada:

- [Centre for International Programs – Safe Travel Information](#) webpage includes information such as:
 - the [Safe International Travel for Students Policy](#) that outlines assessment and authorization requirements for students traveling abroad
 - DepartSmart, the University's pre-departure orientation for travel outside of Canada
 - Travel health insurance coverage available to students travelling outside of Canada
 - Links to Global Affairs Canada Travel resources
