- Mid-Career Accelerator Award - \$750,000 direct costs
- Team Science Award - \$700,000 direct costs
- Translational Research Award - \$600,000 direct costs with collaborator option \$700,000 direct costs

Sponsor

US Department of Defense (DoD)

Program

Congressionally Directed Medical Research Program (CDMRP).

For More Information

Complete and detailed descriptions of these funding opportunities, evaluation criteria, and **complete** submission requirements can be found in the specific Program Announcements.

The Program Announcements are available electronically for downloading from the [Grants.gov](https://www.Grants.gov) [1] website by performing a search using the Department of Defense as the Agency in the left search column.

Description

The following Melanoma Research Program Opportunities have been announced:

- **New! Melanoma Academy Leadership Award** is a virtual career and research platform. The Academy Leadership (Director and Deputy Director) will catalyze the growth and professional development of the Early Career Investigators (Scholars), assess the progress of the Scholars, and facilitate communication and collaboration amongst all Academy members. The Leadership proposes pilot projects in melanoma for all Academy members to collaborate and advance both their careers and the field of

melanoma research.

- Pre-application (Letter of Intent) due 4 August 2021
- Full application (no invitation to submit required) due 26 August 2021
- **New! Melanoma Academy Scholar Award** is a career development award mechanism. Independent early career investigators (Scholars) are integrated into an interactive Academy to facilitate career advancement and research development.
 - Pre-application (pre-proposal) due 29 June 2021
 - Full application (invitation is required to submit) due 28 September 2021

Other Melanoma Research Program Opportunities – see program announcements for important due dates

- Mid-Career Accelerator Award)
- Idea Award
- Team Science Award
- Translational Research Award

Detailed descriptions of the funding opportunity, evaluation criteria, and submission requirements can be found in the Program Announcements. The Program Announcements are available electronically for downloading from the [Grants.gov](https://www.grants.gov) [1] website, the [CDMRP](#) [2] website and the electronic Biomedical Research Application Portal ([eBRAP](#) [3]).

Additional information about applying to CDMRP programs, as well as tips for successfully preparing applications for different types of CDMRP award mechanisms, are available in the CDMRP [Webinar Series](#) [4].

Funding Availability

See specific call for applicable funding information.

Indirect Costs

10%

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [5].

If you are considering applying, please contact [Angela Vuk](#) [6] as soon as possible to assist with application requirements.

How to Apply

Submission is a two-step process requiring both pre-application submission through the electronic Biomedical Research Application Portal ([eBRAP](#)) [7] prior to the pre-application deadline, and full application submission through [Grants.gov](#) [1]. All applications must conform to the final Funding Opportunities/Program Announcements and General Application Instructions which can be found on the [Grants.gov](#) [8] website. For detailed information on the submission process, refer to the specific Program Announcement/Funding Opportunity.

If you are interested in applying, **please contact the Office of Research as soon as possible so we can work through the application process and [Grants.gov](#) [1] with you.**
