For More Information

For a full list of upcoming program webinars, see [CIHR's webinar information site](#) [1].

Description

CIHR will be offering two MS Teams Q&A sessions to trainees, postdoctoral researchers and institution staff regarding award programs that are offered. The webinars will provide a quick overview of their programs, followed by answering participant questions.

CIHR will be using Slido, an interactive tool where participants will have the opportunity to ask questions during the session. Participants are encouraged to submit questions in advance to Slido.

A link to the presentation will be sent following registration via email along with a PDF presentation providing a comprehensive overview of CIHR programs for review prior to the webinar.
