
Women's College Hospital - Women's Xchange

Sponsor

Women's College Hospital, Ontario SPOR Support Unit and Government of Ontario

Description

The \$15K Challenge is a competitive funding initiative that supports grassroots research projects across Ontario by awarding up to \$15,000 to organizations helping to advance the health of women and girls. The Women's Xchange team can assist with the application and research process when needed.

Potential projects may include:

- Identifying unmet needs within a defined community
- Exploring or testing effective solutions to problems
- Increasing the understanding of factors that influence women's health

Eligibility

- A registered charitable organization or foundation
- An organization incorporated as a not-for-profit corporation
- An unincorporated branch or chapter of a charitable organization or incorporated not-for-profit organization
- A community agency
- A collaborative of two or more organizations that are working together to achieve a common goal (with at least one eligible member)
- Universities/Colleges, schools, hospitals are eligible only if they are working with a community agency that involves at least one eligible organization

Funding Availability

\$15,000

Indirect Costs

0%

Project Duration

One Year

Special Notes

First time applying for a research grant?

Women's Xchange can provide guidance throughout the application and research process. With access to a Scientific Lead and assistance in developing academic partnerships, applicants will be supported with regards to developing a research proposal and conducting a successful research study.
