- CCS [application guideline](#) [4]

Description

The CCS Workplace Cancer Research Grants have been created to support important and relevant cancer research that will uncover new knowledge and fill existing gaps related to a diversity of workplace cancer risk factors to inform cancer prevention efforts and the development of guidelines, policies, and regulations aimed at reducing cancer risk for workers in Canada.

Funding Availability

\$100,000/year for up to 2 years (\$200,000 maximum budget)

Indirect Costs

0% per sponsor policy

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.
