

2nd Annual Industry & Research Appreciation Day

Date

Thursday June 25, 2015 12:00pm to 3:00pm

Location

The Living City Campus at Kortright Centre,
9550 Pine Valley Drive Woodbridge, ON

Description

The Sustainable Technologies Evaluation Program is hosting an afternoon celebrating industrial and research partners.

- Tour the Power Trip Trail and see Canada's oldest, roof-mounted, grid-connected PV System, as well as the Solar PV Test Site, Solar Thermal displays, the new BIPV-T Test Hut currently under construction, and the site for the proposed BRE Innovation Park
- Walk through a poster session of STEP research projects and BRE Innovation Park student design projects
- Tour the Kortright Permeable Pavement Parking lot and see examples of different permeable pavement applications
- Visit the Archetype Sustainable House and learn about different sustainable technologies such as geothermal, co-generation, air-source heat pumps, solar thermal, etc

Who will be attending:

- Academic Institutions
- Government
- Utilities
- Engineering firms and consultants
- Industrial partners from the Renewable Energy, Sustainable
- Building and Water sectors
