
ERA-Can+ webinar on The European Research Council of Horizon 2020: tips on how to write a proposal

Date

Wednesday July 6, 2016 11:00am to 11:00am

Description

The ERA-Can+ project is hosting two webinars on Horizon 2020.

The second is '**The European Research Council of Horizon2020: tips on how to write a proposal**', during which the template for the European Research Council calls will be presented and tips on how to fill it will be delivered.

Please register here: www.era-can.net/other/july-2016-webinar-registration/

The ERA-Can+ webinars will be recorded and made available on the ERA-Can+ project website.

Please note that this webinar will be available in English only and that it is targeted to Canadians.
