CCSRI – Prevention Research Grants 2014

Sponsor

Canadian Cancer Society Research Institute

For More Information

please go to the CCSRI Grant & Awards [1] website.

Description

The goal of this grant program is to support and accelerate research and the application of new knowledge relevant to cancer prevention. Proposed projects must demonstrate a specific and defined potential for impact on cancer incidence, multidisciplinary collaboration is encouraged.

Eligibility

Faculty

Funding Availability

\$150,000/ to a maximum of \$600,000 per grant – anticipate 8 grants

Indirect Costs

0%

Project Duration

up to 4 years

Special Notes

There must not be substantive overlap (more than 50%) with any pending application to any other CCSRI program as of the full application due date. **Duplicate applications will not be**

accepted. The onus is on the applicant to indicate the extent (or absence) of overlap.
