

Grand Challenges Explorations Round 14

Sponsor

GCE

For More Information

please go to the [Grand Challenges in Global Health website](#) [1]

Description

The GCE initiative funds innovative ideas that could lead to new vaccines, diagnostics, drugs, and other technologies targeting diseases that claim millions of lives every year, as well as improvements and innovations in agriculture development and others of the Bill & Melinda Gates Foundation priority areas.

Eligibility

Open to All Disciplines: Anyone Can Apply

Funding Availability

Initial grants of \$100,000 are awarded two times a year. Successful projects have the opportunity to receive a follow-on grant of up to \$1 million.

Indirect Costs

0%

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.
