For More Information

For more information, LOI form and Draft Research Strategy, please visit [LRIC's website](#) [1].

Description

The Livestock Research Innovation Corporation (LRIC) and the Poultry Industry Council are pleased to advise that the Call for Letters of Intent for poultry related research projects is now open. Letters should be written in plain English using the LOI form (see link below) and provide sufficient information to allow someone not familiar with the research to understand the intention and how the research will be conducted and how it will benefit the poultry industry in Ontario. Please refer to the [DRAFT version of the Ontario Poultry Industry Research and Education Strategy](#) [2], which outlines priority areas and ensure that your LOI aligns with these priorities.
