

Bloomberg Manulife Prize for the Promotion of Active Health (*updated May 21, 2015)

Sponsor

McGill University's Faculty of Education

For More Information

For more information, please go to the [sponsor](#) [1] website.

Description

This important annual academic prize recognizes an academic whose research has contributed to understanding how factors such as physical activity, nutrition, fitness or psychosocial context can influence personal health and well-being, and whose work could have a positive impact on our behaviour and lifestyle choices. The applicant can be self-nominated or nominated by someone else.

Eligibility

Must hold an academic appointment at a North American university, and be actively conducting research in a campus setting.

Indirect Costs

0%

Special Notes

As recipient of the prize, you will receive the funding as a research grant to further enhance your work.

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Bloomberg Manulife Prize for the Promotion of Active Health (*updated May 21, 2015)
