
CIHR – Industry-Partnered Collaborative Research program (Fall 2015)

Sponsor

CIHR's Science, Knowledge Translation and Ethics Branch– Operating Grant

For More Information

For more information, please go to the [sponsor](#) [1] website.

Description

The Industry-Partnered Collaborative Research Operating Grant program provides funding for collaborative research projects involving the academic community and Canadian industry partners sharing an interest in health R&D. The research planned should be beneficial to both parties, while improving the quality of health of Canadians. Projects may be initiated by either party; however, the academic researcher is responsible for applying for the grant.

Eligibility

Faculty.

Funding Availability

Maximum \$250,000/year. The minimum application partner contribution (including eligible in-kind contributions) must be at least a 1:1 ratio to the amount requested from CIHR.

Indirect Costs

0%

Project Duration

up to 5 years

Special Notes

The relationship between the investigators and the application partner must be established and the required level of partner contribution secured from an [eligible company](#) [2] at the time the application is submitted.

Registration deadline

August 17, 2015

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
Internal Deadline	Thursday, September 10, 2015 - 4:30pm	Please submit your application/proposal along with an OR5 form to research.services@uoguelph.ca [3] .
External Deadline	Thursday, September 17, 2015 - 11:45pm	

How to Apply

PI's to submit Registration and Application directly to CIHR following the instructions on [ResearchNet](#) [4] along with any additional instructions found below under "Specific Instructions". Scan and upload **the signed signature pages** including the routing slip in the Print/Upload Signature Pages task in ResearchNet prior to submitting your application.
