
Investigators in the Pathogenesis of Infectious Disease (PATH)

Sponsor

Burroughs Wellcome Fund

Description

The Investigators in the Pathogenesis of Infectious Disease program provides opportunities for assistant professors to bring multidisciplinary approaches to the study of human infectious diseases. The goal of the program is to provide opportunities for accomplished investigators still early in their careers to study what happens at the points where the systems of humans and potentially infectious agents connect.

Eligibility

Accomplished investigator at the mid-to late-assistant professor level with an established record of independent research (read eligibility requirements).

Funding Availability

\$500,000

Indirect Costs

0%

Project Duration

over 5 years

Special Notes

The awards will begin on July 1, 2016.

Deadlines

Investigators in the Pathogenesis of Infectious Disease (PATH)

Published on Research Alerts (<https://www.uoguelph.ca/research/alerts>)

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
External Deadline	Thursday, November 5, 2015 - 4:00pm	If invited.

How to Apply

PI's to submit electronically through the [BWF's](#) [1]website.
