- [Project Proposal Application Form](#) [2]
- [BFO Research Investment Strategy 2014-2020](#) [3]

### **Description**

The overall goal of the BFO Beef Research Program is to increase the development, adaptation, assessment, and easy adoption of on-farm technologies that help beef producers respond to changing demands, and to quantify and investigate emerging issues of importance to the Ontario and broader Canadian beef industry.

### **Eligibility**

full time faculty

### **Funding Availability**

BFO has a maximum of \$200K/year to fund all projects.

### **Indirect Costs**

25%

## Project Duration

projects must be completed by December 31, 2018.

## Special Notes

Project proposals must fit within one or more of the outcomes identified under the 10 overarching beef research themes outlined in the *BFO Research and Investments Strategy 2014-2020*.

Preference will be given to leveraged projects (1 to 1 or better) using cash contributions, although this is not a requirement.
